CENTERS OF EXCELLENCE IN VETERINARY MEDICAL AND PUBLIC HEALTH EDUCATION SUMMER RESEARCH ASSOCIATES APPLICATION PROCESS

**Purpose:** To facilitate faculty and student research on health issues affecting underrepresented minority (URM) groups.

**Goal:** To produce graduates with biomedical and behavioral research experience in health disparities related issues.

**General Objective:** To facilitate and strengthen faculty and student research on health issues particularly affecting URM groups, including research on issues relating to the delivery of health care.

**Criteria:** Participants must be a member of an underrepresented minority (URM) racial/ethnic group. Students from rural areas are encouraged to apply.

**Process:** To be considered for the summer research associates program funded by COE, students (public health or veterinary medicine) must submit the name of the research mentor, research topic, and research description to Dr. Cheryl G. Davis at davis@mytu.tuskegee.edu or A301 Patterson Hall. Once this information is received, students will be directed to the site to complete the online application.

All required information, including the completed application must be received by March 1, 2016. The deadline for submitting requisitions for laboratory supplies is April 1, 2016. Completed requisitions must be submitted to Mrs. Carrie King, A306 Patterson Hall.

Questions, comments or concerns about the program, contact Dr. Davis at 334-724-4178 or davis@mytu.tuskegee.edu.

Questions, comments or concerns about the online application, contact Mr. Moawia Omer at momer@mytu.tuskegee.edu or 334-727-8960.

Questions, comments, or concerns about requisitions, contact Mrs. King at 334-727-8470 or cking@mytu.tuskegee.edu.
